

The background is a light orange color with a large white circle in the center. Scattered around the circle are various autumn-themed illustrations: red, orange, and yellow leaves in the top-left and bottom-left corners; a small wooden shelf with five colorful books (pink, blue, purple, green, yellow) and a green cactus in a pink pot in the top-right corner; and three open books (yellow, pink, and purple) in the bottom corners. The main title is written in large, bold, orange Japanese characters within the white circle.
